DA4S is a 501(C)(3). A percentage of your membership may be tax deductible.

Membership is open to small and/or diverse companies who must support and/or specialize in the Life Science industries.

We believe that diversity (in this traditionally exclusive industry), will bring substantial advances across the globe.

Our organization is on a relentless pursuit to be the development hub for the best diverse suppliers who fuel the engine for innovative advances in healthcare, biotechnology, bio informatics, devices and other related interdisciplinary life science fields.

Membership is limited to this scope and is the foundation for which our organization was created, so we carefully evaluate membership requirements on an ongoing basis.

We reserve the right to decline membership when necessary.

- You do not need to be a Member to attend our conferences.
- You must be a current, paid member to attend and participate in our member only activities at our annual conferences and other events.
